Independent Registered Municipal Advisor Exemption

The Narragansett Bay Commission ("NBC") is posting this information so that market participants may provide advice on the issuance of municipal securities and municipal financial products, including investment of bond proceeds and escrow investments, and utilize the independent registered municipal advisor exemption from the municipal advisor definition in the Securities and Exchange Commission rules relating to the definition, regulation, and registration of municipal advisors.

NBC is represented by PFM Financial Advisors LLC ("PFM") as its independent registered municipal advisors. NBC will rely on its independent registered municipal advisors when considering information (other than general information that does not involve a recommendation) that market participants, including investment banking firms, provide regarding the issuance of municipal securities and municipal financial products, including investment of bond proceeds and escrow investments.

This statement may be relied upon until June 30, 2026, unless withdrawn or modified by NBC. The individual with primary responsibility for advising NBC on such matters is Stephen Maceroni.
