OPENING ADDENDUM - COVID-19 EMERGENCY PROTOCOL

Vendors and the public are advised that due to Covid-19 emergency social distancing requirements, bid openings at the Narragansett Bay Commission will be conducted via live streaming on the ZOOM internet platform. Vendors and the public will not be permitted to enter the Narragansett Bay Commission building to attend bid openings. Vendors and the public who attend bid openings via live streaming shall be required to identify themselves and a record of all such attendees will be maintained by the Narragansett Bay Commission. Vendor bids will be opened and read aloud at the date and time listed in the bid proposal. Bid results will be tabulated as soon as possible after the bid opening.

If a vendor opts to not mail its bid to the Narragansett Bay Commission and instead elects to submit its bid in person, they can enter the Narragansett Bay Commission building to drop off their bid. In accordance with the Governor's Executive Order(s) and Department of Health emergency regulations, all social distancing recommendations must be adhered to and a cloth mask which covers the nose and mouth must be worn when dropping off the bid if not vaccinated. Vendors delivering a bid to the Narragansett Bay Commission should allow sufficient time for dropping off the bid. The Narragansett Bay Commission assumes no responsibility for delays caused by any reason. Vendors are solely responsible for on time delivery of bids.
